Follow Layout Addition of a shrub where ~~once~~ once he had one, in the foreground to the left; ~~elimination~~ eliminate the adjoining building on either side, showing sky effect instead on the right and foliage on the left; eliminate the meter box and conduit line on the left side wall, and add in small letters the street number, 615 N. walker, just ~~in~~ over the front door. By doing this I believe it will look better to make it a full face job instead of white border. You will note that all of the defects in the building show plainly— and there are numbers of them. These of course he wants "smoothed over, such as the break in the cap stones over the eaves as well as breaks in the mortar lines, etc. ALSO SEE TISSUE OVERLAY ON PHOTO FOR INSTRUCTIONS

^{DESCRIPTION}
This has been changed to a new design. Kindly note that the wording ALOHA FROM HAWAII is to be in green, there is to be no silver or virko-type whatsoever but the panel on the inside is what is desired.. For the inside of this card you are to use the PALI design which is used on the outside of D-6606. Also I do not like the pink affect on the inside with ~~exp~~CUP OF GOLD DESIGN. Use Green instead of pink, its more suitable for HAWAII
